

NAME GIVING OPPORTUNITIES

HONORING THE PAST, BUILDING THE FUTURE

A gift to the IBA's CASA Capital Campaign is an opportunity to help shape and elevate the opportunities for the Latinx and the larger BIPOC community members in Boston and New England. Your gift also presents a unique opportunity to be recognized for your investment in IBA's mission and creating an equitable future for all.

We encourage our investors to take advantage of these opportunities, either through an outright gift or through one that is pledged for up to three years. There are many ways to create a naming opportunity, not just listed below, we are open to combining spaces and attaching underwriting a program area for a fix number of years in additional to a space. Both parties will sign a Gift Naming and Agreement Form to capture the recognition and naming details agreed upon by donor and IBA.

Interested individuals, corporations, families, foundations and other groups are invited to contact Tara McCabe, Chief Development Officer at tara@ibaboston.org to learn more and to discuss specific interest in an opportunity. Please note discussions are ongoing with interested parties, we will make every attempt to keep this document updated.
